

Cell-Tech[®] liquid

nitrogen-fixing inoculant for

pea

Extended label

Cell-Tech Single-Action Legume Fertility

Available in two sizes:

Net weight 3.0 liters (101.4 fl oz) This bag treats: 1,089 kg (2,400 lb, 40 bu)	Net weight 9.8 L (331.4 fl oz) This bag treats: 3,557 kg (7,840 lb, 130 bu)
--	--

Application rate

On seed

- 75 ml/27 kg (2.5 fl oz/60 lb)

On seed directions for use

- Shake well before using to ensure an even suspension
- Settling of bacteria during storage is normal
- Application with other seed treatments is possible, but may reduce the planting window. For up-to-date pesticide compatibility information, please contact Novozymes BioAg at 1-888-744-5662

Application

- Attach the dosing cap and tube to the bag and shake well. Hang the bag directly using the reinforced hole, with the dosing nozzle at the bottom
- Apply to the seed as soon as possible
- Calibrate the system to ensure that 75 ml (2.5 fl oz) of Cell-Tech flows out of the nozzle in the time that 27 kg (60 lb) of seed passes beneath it.
- Where phosphate availability is limiting plant growth, Cell-Tech may be co-inoculated with JumpStart[®].

Where to use for maximum benefit

Best responses to Cell-Tech occur in soils that are low in available forms of nitrogen and populations of *Rhizobium leguminosarum*.

CANADA

MINIMUM GUARANTEE

ACTIVE: 2.0×10^9 *Rhizobium leguminosarum* viable cells per gram

Benefits of using Cell-Tech may be limited on:

- Soils with high nitrogen levels or with high application rates of nitrogen fertilizer
- Soils that have been heavily manured (likely to be high to very high in available phosphate)

Storage instructions

- Store in a cool place, between 4 °C (39 °F) and 12 °C (54 °F)
- Do not allow to freeze
- Minimize temperature fluctuations
- Store out of direct sunlight
- Use before the expiration date

For best results

- Open package only when ready to use
- Plant within 48 hours of adding to bare pea seed

Limited warranty

The seller warrants that this product contains a minimum number of *Rhizobium leguminosarum* viable cells as specified on the label. The seller makes no other warranty expressed or implied as to product viability or performance since storage, use, and growing conditions are beyond the seller's control. Seller's guarantee is limited to the terms set out on the label and subject thereto. Buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
